### **Ideas to research to help you decide your saint name:**

1. Think about yourself. What is important to you? What are your hobbies and interests? Is there some topic that is dear to you or some experience that has helped shape you as a person?
2. Use the resources around you. Your parents, your Confirmation sponsor, your grandparents, aunts, uncles, godparents, priests, deacons. Ask for their help with suggestions on whom to select.
3. Please feel free to ask any catechist for help.
4. Use the computer, but always use the word "Catholic" in your search words when googling!
5. Go to the PSR office and ask for resources.
