

Missouri Food Pantry Tax Credit (2023)

Donors to a Missouri Food Pantry (like St Nicholas Food Pantry or Ascension Food Pantry) can file for a Missouri Tax Credit of 50% of contribution up to \$2,500 (per taxpayer per year). See the State of Missouri's web site for detailed instructions and forms. (<http://dor.mo.gov/taxcredit/fpt.php>)

The donation check should be made out to St Vincent de Paul Ascension Conference with "Food Pantry" noted on the memo line to indicate that the donation is earmarked for the food pantry.

The Food Pantry Tax Credit (Form MO-FPT) will be signed by the Ascension St Vincent de Paul Treasurer and returned to the donor.

With the Missouri Tax Return, taxpayers should attach completed Food Pantry Tax Credit (Form MO-FPT). MO-FPT is to be attached to the Missouri Miscellaneous Income Tax Credit (MO-TC). The Miscellaneous Tax Credit (MO-TC) Form will be available on the Missouri web site in January.

All donations will need to be listed on the MO-TC Form.

On MO-TC, the first column of the tax credit table is "Benefit Number". Per the State of Missouri Tax Department, Benefit Number is NOT required for Food Pantries. Instead note the year of the donation (e.g. "2023").
